

# UNIVERSCIENCE PARTENAIRES (UP)

**Fondation gathering major international companies,  
federations and research structures**

**Willing to promote  
scientific, technical, industrial and environmental culture  
targetting general public and youth in particular  
in developping partnerships with**

**Universcience  
(Cité des sciences et de l'industrie + Palais de la découverte)  
But also with science centers in France and overseas**

# Sustainable development at company level

- Health / human and product safety / environnement
- People : social, societal and ethical issues
- Economics : business processes to drive sustainable growth : competitiveness / innovation ...

**sustainable development  
is the heart of any major international company  
(culture and strategy wise)**

**All stakeholders are concerned by company's  
Sustainable development policy  
(employees, academia, shareholders, financial community, customers, suppliers, media,  
local officials, local residents, NGO's, government, unions, general public, students ...)**

# Sustainable development at science center level
